### **La Vista City Centre Groundbreaking**

**WHEN:** Wednesday, September 20, 10 a.m.

**WHERE:** 84<sup>th</sup> Street, between Brentwood and Summer Drive, enter at either intersection and follow signs for parking areas.

**WHAT:** La Vista City Centre, La Vista's first 84<sup>th</sup> Street Redevelopment project, will break ground.

City Ventures' mixed-use development, estimated at a \$200 million private investment, is designed to bring apartments, retail and office space to the La Vista community.

Phase one of the project, scheduled to be under construction before the end of 2017, will include:

- 23,000 square feet of office space;
- 70,000 square feet of retail space (including neighborhood stores, restaurant and services); and
- 384 apartments

**WHO:** Available for interviews:

- Mayor Douglas Kindig, City of La Vista
- Chris Erickson, City Ventures

**WHY:** The transformation of the 84<sup>th</sup> Street corridor in La Vista is underway. The transition from vision to reality begins with the La Vista City Centre project.

The Brentwood Crossing shopping center has been demolished and construction is ready to begin.
