### PRESENTATION – THOMPSON CREEK 2006 CHANNEL STUDY UPDATE – JOHN KOTTMANN

City Administrator Gunn stated the presentation is to update the Mayor, Council, and Community on the Thompson Creek 2006 Channel Study. City Engineer Kottmann informed Council that 926 acres are being studied. The main emphasis of the presentation is from the retention structure down to 72nd Street. The 3000 foot long channel from Edgewood to 72nd Street is the main focus. Various agencies would have a say in any project undertaken. Kottmann presented four (4) possible schemes to take care of erosion issues. Scheme 1 is to maintain the structure and setback policy in order that structures will not be placed in areas in danger near the creek and not to allow replacement of existing structures. This scheme would not involve any significant construction projects and would not involve any acquisition of properties. Scheme 2, which is the least environmentally damaging is for no major construction and acquire 65 homes along Thompson Creek between 72nd Street and Edgewood Boulevard. Scheme 3 is a mix of acquisition and construction, acquiring 22 homes, 18 along the north side of Thompson Creek between 72nd Street and Edgewood Boulevard and 4 homes on the south side of Thompson Creek just east of Edgewood Boulevard, and relocating channels. Scheme 4 consists of intensive construction, involving the installation of an articulate concrete channel lining system from 72nd Street to the cart path bridge near Green No. 3 on the golf course, acquiring 8 homes for channel access, and acquiring temporary and permanent easements. Cost comparisons for the 4 Schemes are in the report and range from \$178,560 for Scheme 1 to \$10,408,776 for Scheme 2. Kottmann has spent some time looking for potential funding sources, but has not found any major sources to take care of this large project. There are many aspects to look at as the City moves forward. Councilmember Gowan asked if the improvements made at the golf course have helped. Kottmann responded that the improvements have helped, but the benefits become smaller as the distance increases from the improvements.

with any unpaid interest accrued thereon shall be made by the Paying Agent and Registrar to the registered owners upon presentation and surrender of the 2007 Bonds to the Paying Agent and Registrar. The City and the Paying Agent and Registrar may treat the registered owner of any 2007 Bond as the absolute owner of such 2007 Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such 2007 Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any 2007 Bond in accordance with the terms of this Resolution shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the 2007 Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. The City Treasurer is hereby designated to serve as Paying Agent and Registrar for the 2007 Bonds. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the 2007 Bonds at the City's Offices in La Vista, Nebraska. The names and registered addresses of the registered owner or owners of the 2007 Bonds shall at all times be recorded in such books. Any 2007 Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar by surrender of such bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent and thereupon the Paying Agent and Registrar on behalf of the City will register such transfer and will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new 2007 Bond or 2007 Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the 2007 Bonds by this Resolution, one 2007 Bond may be transferred for several such 2007 Bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such 2007 Bonds may be transferred for one or several such 2007 Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a 2007 Bond, the surrendered 2007 Bond or 2007 Bonds shall be cancelled and destroyed. All 2007 Bonds issued upon transfer of the 2007 Bonds so surrendered shall be valid obligations of the City evidencing the same obligations as the 2007 Bonds surrendered and shall be entitled to all the benefits and protection of this Resolution to the same extent as the 2007 Bonds upon transfer of which they were delivered. The City and said Paying Agent and Registrar shall not be required to transfer any 2007 Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any 2007 Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the 2007 Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the 2007 Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Such mandatory redemptions shall be at a price equal to 100% of the principal amount redeemed, plus accrued interest to the date fixed for redemption. The Paying Agent shall select the 2017 Term Bonds, the 2023 Term Bonds and the 2029 Term Bonds for mandatory redemption using any random method of selection determined appropriate by the Paying Agent. On or before the forty-fifth (45th) day prior to any mandatory sinking fund redemption date set forth above, the Paying Agent and Registrar shall proceed to select for redemption, from all the Term Bonds then subject to redemption (as applies for such mandatory redemption date), an aggregate principal amount of such Term Bonds, as the case may be, equal to the amount for such year as set forth in the table above and shall call such Term Bonds, or portions thereof (\$5,000 or any integral multiple thereof) for redemption and give notice of such call. At the option of the City, to be exercised by delivery of a certificate to the Paying Agent and Registrar on or before the sixtieth (60th) day next preceding any mandatory sinking fund redemption date, the City may (i) deliver to the Paying Agent and Registrar for cancellation Term Bonds, which are then subject to such redemption or portions thereof (\$5,000 or any integral multiple thereof) in any aggregate principal amount desired by the City, or (ii) specify a principal amount of such Term Bonds, as are then next subject to mandatory sinking fund redemption, or portions thereof (\$5,000 or any integral multiple thereof), which prior to said date have been purchased or redeemed (otherwise than through the operation of mandatory sinking fund redemption) and canceled by the Paying Agent and Registrar at the request of the City and not theretofore applied as a credit against any sinking fund payment. Each Term Bond or portion thereof so delivered or previously redeemed shall be credited by the Paying Agent and Registrar at 100% of the principal amount thereof against the obligation of the City on such mandatory sinking fund redemption date. Any excess shall be credited against the next mandatory sinking fund redemption amount (including payments due at final maturity).

2007 Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Any 2007 Bond redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for a new 2007 Bond evidencing the unredeemed principal thereof. Notice of redemption of any 2007 Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory sinking fund redemption, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such 2007 Bond at said owner's registered address. Such notice shall designate the 2007 Bond or 2007 Bonds to be redeemed by maturity or otherwise, the date of original issue and the date fixed for redemption and shall state that such 2007 Bond or 2007 Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any 2007 Bond partially redeemed, such notice shall specify the portion of the principal amount of such 2007 Bond to be redeemed. No defect in the mailing of notice for any 2007 Bond shall affect the sufficiency of the proceedings of the City designating the 2007 Bonds called for redemption or the effectiveness of such call for the 2007 Bonds for which notice by mail has been properly given and the City shall have the right to direct further notice of redemption for any such 2007 Bond for which defective notice has been given.

Section 8. Each of the 2007 Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and City Clerk of the City. The 2007 Bonds shall be issued initially as "book-entry only" bonds under the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers of the City are authorized to execute and deliver a Letter of Representations (the "Letter of Representations") in the form required by the Depository (which may be in the form of a blanket letter previously executed and delivered by the City), for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the 2007 Bonds. Upon issuance of the 2007 Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds 2007 Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a 2007 Bond from a Bond Participant while the 2007 Bonds are in book-entry form (each, a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the 2007 Bonds,

# MINUTE RECORD

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the 2007 Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the 2007 Bonds. The Paying Agent and Registrar shall make payments with respect to the 2007 Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such 2007 Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange 2007 Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so. The Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the 2007 Bonds or (ii) to make available 2007 Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such 2007 Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the 2007 Bonds be delivered to the ultimate Beneficial Owners of the 2007 Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the 2007 Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the 2007 Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any 2007 Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such 2007 Bond and all notices with respect to such 2007 Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the 2007 Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the 2007 Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a 2007 Bond unless and until such partially redeemed 2007 Bond has been replaced in accordance with the provisions of this Resolution, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such 2007 Bond as is then outstanding and all of the 2007 Bonds issued to the Depository or its nominee shall contain a legend to such effect.

Neb. 1997, as now or hereafter amended, with respect to such deposited amounts. In the event of default of any of the provisions of the 2007 Bonds, the bondholders (or any receiver appointed for their protection) shall have the right at any time while such default continues to apply or require the application of receipts from the Special Tax Portion to the indebtedness evidenced by the 2007 Bonds, equally and ratably, subject to the limitation set forth in Ordinance No. 921. Section 10. Until the 2007 Bonds have been paid in full, the City agrees that it will not incur any additional indebtedness or issue any bonds or notes payable from the Economic Development Fund unless such indebtedness, bonds or notes are expressly made subordinate to the 2007 Bonds, with the payments for such bonds or notes to be made from any monies available in each budget/fiscal year after the Bond Payment Account has been fully funded for such budget/fiscal year. Refunding Bonds to refund the 2007 Bonds may be issued so long as none of the 2007 Bonds shall remain outstanding after the issuance of such refunding bonds.

Any such money so deposited with a bank or trust company may be invested and reinvested in Deposit Securities and all interest and income from such Deposit Securities in the hands of such bank or trust company, in excess of the amount required to pay principal of and interest on the bonds for which such monies were deposited, shall be paid over to the City as and when collected. The term "Deposit Securities" as used in this Section shall mean direct obligations of or obligations the principal and interest which are unconditionally guaranteed by the United States of America, including obligations issued in book-entry form.
