#### **David Karlson, Assistant Recreation Director**

The **Virtual Recreation Center** featured a variety videos from mid-January through early February. Those included:

- We had a two-part episode on Magic in February. Magic Part I was released on February 19, featuring Trenton and I performing six (6) magic tricks for our viewing audience. Magic Part II was released on February 26, and had Trenton and I showing our home viewers how they can use simple props they can find at home to perform the same magic tricks. The Magic episodes have received several hundred hits on the website.
- Our Fun Friday Recreation @ Home monthly calendar for March was released on March 5. This monthly series encourages school-aged children and their families to become more physical and mentally active and take steps towards a healthier lifestyle by participating in a different activity each day throughout the month. We have received some great feedback on this.

- Lastly, Trenton and I filmed a series of Minute-To-Win-It type balloon challenges, and our first of the series was released on Friday, March 12.

The annual Easter Egg Hunt will be a little different this year, with no actual ‘hunt’, but a ‘grab ‘n go’ easter bag pick up. The Recreation Department employees have gotten 1,400 sacks stuffed with 28,000 pieces of candy ready to hand out to the kids in their cars on April 3<sup>rd</sup> 10am to 12pm at the City Hall campus.

### **Denny Dinan, Youth and Adult Sports Manager**

- Adult Women’s Volleyball Winter session has played 8 games of a 12-game schedule. The Winter season will end on March 24. The Spring session will start on March 31 and will play a shorter 6 game session. The Spring League is full, with 8 teams signed up.
- Youth Basketball League finished on March 6. Teams were happy with the way the league was run with the YMCA being a partner with us for the first time. Only complaints we really received were due to everyone having to wear a mask and the limited fans we allowed in the gym. Hopefully these won’t be issues next season!!

### **Spring Programs**

Registration are currently winding down and deadlines are approaching for 2021 Spring/Summer Youth and Adult programs.

#### **Field Usage**

Playing fields will open for use starting April 5, weather permitting. It appears it will be a busy season with most of the fields being utilized throughout the season.

We currently have youth girls fast pitch softball tournaments the weekends of April 9-11 and April 23-25.

In May, I have 3 baseball/softball tournaments, 2 soccer tournaments, and the annual Kite Festival is scheduled.

Member Mechels-Stuby asked if we will continue the cooperative program with the YMCA? Dinan said we would.
