# FROM THE DIRECTOR

## WHAT IS A LIBRARY?

A library is a place to connect people, resources and experiences. It's a place where ALL people are welcome to learn through reading, discovering, socializing, and creating. A library is a community of empowered learners, enthusiastic readers and engaged citizens.

What goals did you set for 2023? Whatever you want to accomplish this year, the La Vista Public Library is here to support you!

The Library offers information and resources on physical and emotional health and wellness, as well as exercise and fitness. The Library also offers groups and events geared toward a variety of hobbies such as fly tying, cake baking and decorating, astronomy and more. Of course, you can always find books for leisure reading and research, and even cookbooks for wellbeing or fun. Our electronic collection continues to grow with new titles in our book collection, magazines and movies.

If you're looking to learn some new technology skills or study for your GED, the Library offers that assistance, too. Our Library's team (with more than 200 years of combined experience) is eager to help you find the information you need. They have developed and planned a variety of spring and summer programs as you will see in this guide. The Library doesn't have everything – but we have something for everyone!

## At Your Service

### Meet Lee Kerniskey, Circulation Clerk

Retired Police Sergeant, Lee Kerniskey, joined the La Vista Public Library family in May 2022. Read our interview with Lee and learn more about him and his experience working at the Library.

#### LVPL: Tell us about yourself.

**Lee:** I am originally from Cleveland, Ohio. I served in the United States Coast Guard for eight years and retired from the Omaha Police Department as a Sergeant in 2020. I am married with two kids, Peyton and Maris, and we live just a few blocks from the Library. My wife Kate is a teacher. The Library has always been a big part of our lives, and I am so thankful to have the opportunity to work there.

#### LVPL: What is your role at the Library and what inspired you to apply for this role?

**Lee:** I work as a circulation clerk. I assist patrons in finding and checking out books, and in doing research when I work the reference desk. I also shelf books after they are returned. As a retired police officer, I was looking for a slower-paced, relaxed work environment. Being an avid reader, the Library was the perfect fit.

#### LVPL: What do you value about the Library?

**Lee:** I value the Library's place and its importance to the community. I love the chance to meet and talk to our patrons and help people find the book they are looking for.

#### LVPL: Why is the Library an important part of the community?

**Lee:** The Library provides a free source of information and entertainment that is available to anyone. Everyone is welcome, and the value the Library provides to the community is immeasurable.

#### LVPL: What book are you currently reading?

**Lee:** I am currently reading two books, one non-fiction *The 12th Planet* by Zecharia Sitchin and one fiction, *No Plan B* by Lee Child. You may also catch me with my nose in a graphic novel as I love superheroes.
