## At Your Service

### Meet Jaci Moore, Assistant Events Coordinator

As La Vista's Assistant Events Coordinator, Jaci Moore oversees the planning, coordination and execution of the City's community events.

#### LV: How long have you worked for the City of La Vista?

**Jaci:** I joined the team part-time in May 2023 and was able to jump right into helping with the execution of La Vista Days. I went full-time in October 2024.

#### LV: What do you like about working in events?

**Jaci:** Each event is unique and different, so no two shifts are the same working in events! I get to be creative and flexible, and I also have the opportunity to work with a lot of different people. I love bringing people together and creating memorable experiences for the community.

#### LV: Why are events valuable and how do they add to the community?

**Jaci:** Events provide opportunities for people to connect with one another and share experiences. La Vista's community events help build relationships, promote local businesses and strengthen the City's identity. Whether you are a part of an event as a vendor or attendee, you are fostering a sense of belonging and improving the quality of life in La Vista.

#### LV: What is something about the City of La Vista's events that you want people to know?

**Jaci:** We strive to make our events available and accessible to everyone. La Vista's community events are almost always free!

#### LV: What event are you most excited about this year?

**Jaci:** I am excited to see the expansion of La Vista's traditional events in 2025. Our annual Arbor Day celebration is transforming into a lunch and learn with free lunch provided. The traditional summer Hydrant Party is expanding into four separate Summer Splash events that will take place in each ward. The annual Halloween Safe Night will be rebranded to Fall-o-ween and is evolving to bring the community together with family-friendly activities.

#### LV: What do you enjoy doing when you're not at work?

**Jaci:** I enjoy crafting, watching TV shows, spending time with friends and family and being outside. In the summer, I often go camping with my family—we have an annual tradition of visiting Lake McConaughy. In the winter, I try to hit the slopes to ski in Colorado as much as possible.

#### LV: What do you love about La Vista?

**Jaci:** I was raised in a small town, and I love that La Vista has the same sense of home and community. La Vista has a small-town feel with the accessibility of living in a big city.

## At Your Service

### Meet Jeremy Vezner, Circulation Assistant

Jeremy Vezner is a part-time daytime Circulation Assistant. He works diligently preparing new books and other materials for the Library's collection. Read our interview with Jeremy and learn more about him and his experience working in the Library.

#### LVPL: Tell us about yourself.

**Jeremy:** I live in Papillion and enjoy many things in the area. I like doing puzzles, reading, sketching and going to thrift stores. I have a large Lego collection and three cats. My cats are quite the characters.

#### LVPL: How long have you worked at the La Vista Public Library?

**Jeremy:** I have worked at the Library for the past 10 years. Prior to working at the Library, I participated in a Papillion-La Vista Community Schools sponsored program called Project Search. The Library partners with Project Search and recruited me because staff saw that my skills and work ethic would be ideal for the Library.

#### LVPL: What is your role and what led you to apply for your position?

**Jeremy:** I am a circulation clerk. My main duties are processing books, preparing new books and maintaining the book sale tables. Additionally, I am responsible for shelf reading, finding hold books, working with donations and helping with programs. I have been an instrumental part of Lego Club, both virtually and in person.

#### LVPL: What do you value about the Library?

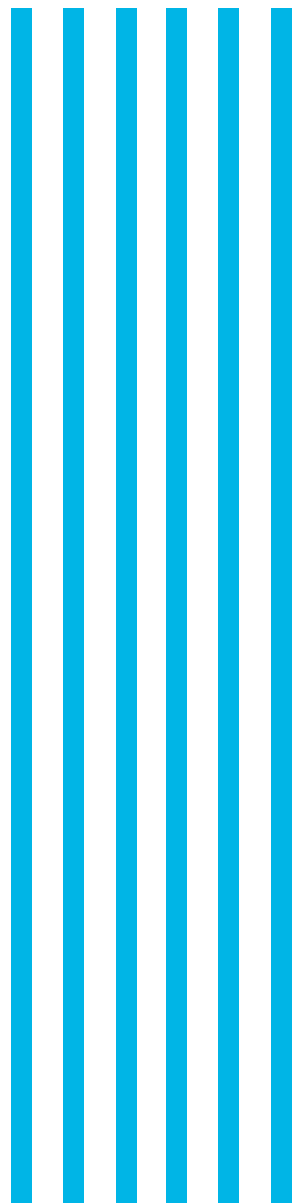

**Jeremy:** The Library is a welcoming place where everyone has access to media, books, a computer lab and the makerspace area.

#### LVPL: Why is the Library an important part of the community?

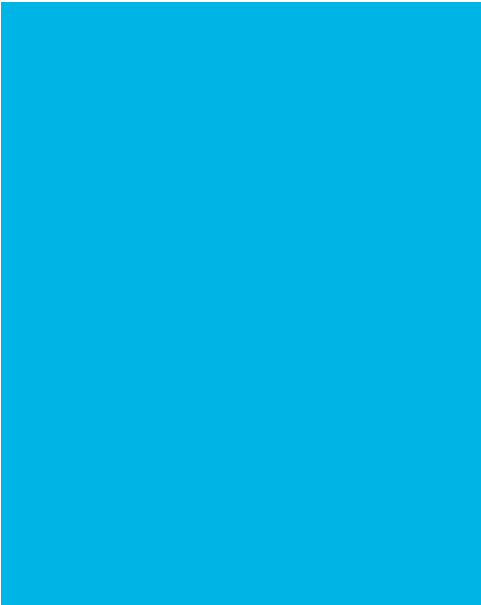

**Jeremy:** The Library has resources available to everyone in the community. This is important because people may not have these resources at home.

#### LVPL: What book(s) are you currently reading?

**Jeremy:** Right now, I am reading the Star Wars X-Wing Series by Michael A. Stackpole and Aaron Allston. There are 10 books in this series, and I am on the sixth book, Iron Fist.
