AUTHORIZATION TO PURCHASE FIBER OPTIC CABLE	◆ RESOLUTION ORDINANCE RECEIVE/FILE	PAT ARCHIBALD DIRECTOR PUBLIC BUILDINGS & GROUNDS

**SYNOPSIS**

A resolution has been prepared authorizing the purchase of a Fiber Optic Cable which will extend from the Police Department to the Verizon Tower in an amount not to exceed \$5,175.

**FISCAL IMPACT**

The FY11/12 Capital Fund provides funding for the proposed purchase.

**RECOMMENDATION**

Approval

**BACKGROUND**

The installation of Fiber Optic Cable from the Police department to the Verizon tower will eliminate two of the wireless dishes. The Police Department is too close for the tower to aim the wireless properly. The only labor that will be contracted out will be the termination of the Fiber and push the 2" pipe from the existing junction box to the base of the tower. We are not equipped to do this. City employees will pull in the Fiber and the City will purchase the Fiber through our normal vendor. This will save over \$2,000.
