Subject:	Type:	Submitted By:
84 TH STREET REDEVELOPMENT AREA AGREEMENT WITH OMAHA PUBLIC POWER DISTRICT FOR ELECTRIC SYSTEM REMOVALS	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER

SYNOPSIS

A resolution has been prepared authorizing the Mayor to execute an Agreement with the Omaha Public Power District for the undertaking of efforts required for the removal of existing electrical distribution systems in connection with the demolition and site preparation under the 84th Street Redevelopment Plan, as amended ("Redevelopment Plan"). This work also enables the installation of new public infrastructure.

FISCAL IMPACT

The City's FY17/FY18 biennial budget includes funding in the Capital Improvement Program for this project.

RECOMMENDATION

Approval subject to the City Attorney approval of the final form of the agreement.

BACKGROUND

Demolition and Site Preparation by the Agency pursuant to the Redevelopment Plan is necessary to eliminate and prevent recurrence of the substandard and blighted 84th Street Redevelopment Area. In order for the existing buildings to be removed and allow for the installation of new public infrastructure the existing electrical distribution system must be removed by OPPD. OPPD estimates the cost of such work to be \$13,242.42. Additional agreements for the new public infrastructure will be needed in the future. The Agency is the contracting party for Demolition and Site Preparation work, and the City would directly pay OPPD for the work. A separate agenda item will be considered for City approval.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA VISTA NEBRASKA, ACTING AS THE LA VISTA COMMUNITY DEVELOPMENT AGENCY, APPROVING AN AGREEMENT WITH OMAHA PUBLIC POWER DISTRICT FOR ELECTRIC SYSTEM REMOVALS IN THE 84TH STREET REDEVELOPMENT AREA.

WHEREAS, the City Council, acting as the La Vista Community Development Agency, has determined that electric system removals in the 84th Street Redevelopment Area are necessary; and

WHEREAS, a proposed agreement is presented for Omaha Public Power District to perform the necessary work.

NOW, THEREFORE, BE IT RESOLVED, that the City Council acting as the La Vista Community Development Agency ("Agency") hereby approves the agreement with Omaha Public Power District, as presented, for electric system removals in the 84th Street Redevelopment Area, subject to any additions, subtractions, or modifications as the City Administrator or City Engineer determines necessary or advisable ("Agreement").

BE IT FURTHER RESOLVED, that the Mayor or his designee shall be authorized to take any actions on behalf of the Agency that are necessary or appropriate to enter or carry out the Agreement or any actions approved in this resolution, including, without limitation, executing the Agreement or any other document or instrument.

PASSED AND APPROVED THIS 18TH DAY OF APRIL, 2017.

AGREEMENT

La Vista Community Development Agency Redevelopment Plan – 84th Street Redevelopment Area Demolition and Site Preparation

THIS AGREEMENT is made and entered into by and between the Omaha Public Power District hereinafter referred to as the "Utility" and the La Vista Community Development Agency hereinafter referred to as the "Agency".

WITNESSETH:

WHEREAS, the City of La Vista ("City") declared the 84th Redevelopment Area a substandard and blighted area in need of redevelopment, created the La Vista Community Development Agency ("Agency"), and adopted documents and instruments that include a Redevelopment Plan for the 84th Street Redevelopment Area, as amended, ("Redevelopment Plan").

WHEREAS, the Agency, pursuant to applicable documents and instruments including the Redevelopment Plan, desires to provide for removal electrical facilities as needed for demolition of buildings and improvements. Said construction will be undertaken under the project designation City of La Vista Redevelopment Plan — 84th Street Redevelopment Area Demolition and Site Preparation (the "Project"), and

WHEREAS, preliminary plans and specifications for the Project are presented with this Agreement, and

WHEREAS, the Agency is willing to have the Utility contract and remove electrical facilities as part of the Agency's Project, subject to the terms of this Agreement.

NOW THEREFORE, in consideration of the foregoing recitals and the promises and covenants herein, the parties hereto agree as follows:

SECTION 1. The Utility has designed a transmission facility and system to be constructed by the Utility or Utility's contractor for the Project according to the Utility's specifications and as set forth in the Project plans and specifications.

The Utility's engineering department has estimated the cost to remove OPPD facilities not to exceed \$13,242.42 ("Not to Exceed Amount")

Development, finalization, or modifications of any plans or specifications, scheduling and completion of the work, and processing of applications for payment shall be subject to approval of the City Engineer acting on behalf of the Agency or City, as applicable under the circumstances

SECTION 2. The City shall pay the Utility 100 percent of the actual and reasonable cost of the construction effort for removing then facilities and any required construction engineering

costs, up to the Not to Exceed Amount. Exceeding the Not to Exceed Amount requires the prior written approval of the City Engineer.

SECTION 3. The City shall make payment to the Utility within thirty (30) days after receipt of billing from the Utility. When the work is completed and all costs accumulated, the Utility will submit a final statement to the City showing the payment due from the City.

The parties agree to make final settlement within thirty (30) days after the City receives the final statement. The Utility will furnish the City a copy of the engineering estimates and actual costs for the Project and as built drawings, if any. Ownership in the said facilities shall remain with the Utility at all times.

SECTION 4. This Agreement shall be subject to concurrence of the City of La Vista in writing below. The parties hereto shall not, in the performance of this Contract discriminate or permit discrimination against any person because of race, sex, age, or political or religious opinions or affiliations or disability in violation of Federal or State Statutes or Local Ordinances. The recitals at the beginning of this Agreement, and all plans, specifications, documents or instruments referenced in this Agreement, shall be incorporated into this Agreement by reference.

SECTION 5. To the extent the Nebraska Interlocal Cooperation Act, Nebraska Revised Statutes Section 13-801 et seq, as amended, applies, the following is provided:

a. The duration of this Agreement shall be as follows: This Agreement shall begin upon its execution by both parties and concurrence of the City below, and end upon completion of performance of all the obligations of the parties and City;

b. There shall be no separate legal or administrative entity created by this Agreement to administer this Agreement, and except as otherwise provided in this Agreement, the parties do not contemplate acquiring, holding or disposing of any real or personal property pursuant to this Agreement;

c. The purpose of this Agreement is to provide for removal of the facilities as described in this Agreement or related documents or instruments.

d. The City will pay costs and expenses of the work as described above. No separate budget will be established or maintained by the parties apart from normal budget and accounting records maintained by each of the parties;

e. This Agreement will end upon completion of performance by the parties and shall not terminate before that occurs. The Utility will own the overhead transmission facilities at all times, including at the end of the Agreement.

f. The City will pay the costs and expenses of the work from available funds; the parties do not contemplate any levy, collection, or accounting for any tax authorized under sections 13-318 to 13-326 or 13-2813 to 13-2816; and

g. The District's Utility Coordination Group and City Engineer jointly shall be the administrators of this Agreement for the parties.

h. The overhead transmission facilities will be acquired, held and disposed of in the manner described in this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed by their proper officials there unto duly authorized as of the dates below indicated.

NONDISCRIMINATION CLAUSES

During The performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor"), agrees as follows:

- 1) **Compliance with Regulations:** The Contractor will comply with the Regulations of the Department of Transportation relative to nondiscrimination in federally assisted programs of the Department of Transportation (Title 49, Code of Federal Regulations. Parts 21 and 27, hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- 2) **Nondiscrimination:** The contractor, with regard to the work performed by it after award and prior to completion of the contract work, will not discriminate on the ground of handicap, race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations. Including employment practices when the contract covers a program set forth in Appendix "A", "B" and "C".
- 3) **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of handicap, race, color or national origin.
- 4) **Information and Reports:** The contractor will provide all information and reports required by the Regulations, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the State Highway Department or the Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the State Highway Department, or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
- 5) **Sanctions for Noncompliance:** In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the State Highway Department shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including but not limited to,
 - a) withholding of payments to the contractor under the contract until the contractor complies, and/or
 - b) cancellation, termination or suspension of the contract, in whole or in part.
- 6) **Incorporation of Provisions:** The Utility's contractor will include the provisions of paragraph (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, order, or instructions

issued pursuant thereto. The contractor will take such action with respect to any subcontract or procurement as the State Highway Department or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance: provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the State to enter into such litigation to protect the interests of the State, and in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
