**Special Events/Programs**

Our first **Outdoor Concert and Movie** of the summer was on Friday, June 9. For the first time we had a country music band “Silas Creek” perform. The band drew an above average crowd and will likely be in our line-up again next year. Following the concert, the crowd grew even larger as we showed the movie “Moana”.

**★ Program Highlight of the Month**

**Our annual Dinosaur Egg Hunt and Story Time** was held at Southwind Park on Thursday, June 22. Over one hundred kids plus their parents attended. 2017 marked the tenth anniversary of this popular program that has young explorers help us hunt for giant dinosaur eggs... A.K.A. watermelons! The event starts with a few dinosaur jokes and a story time with a guest reader followed by the children following giant dinosaur footprints across the park in search of the eggs.
