

**LA VISTA CITY COUNCIL
BUDGET WORKSHOP AGENDA**

July 16, 2019
Immediately following City Council Meeting

- I. Call to Order
- II. Announcement of Location of Posted Open Meetings Act
- III. Introduction – Mid-Cycle Budget
- IV. Mid-Cycle Budget Overview
- V. Comments from the Floor
- VI. Comments from Mayor and Council
- VII. Adjournment

The public is welcome and encouraged to attend all meetings. If special accommodations are required please contact the City Clerk prior to the meeting at 402-331-4343. A copy of the Open Meeting Act is posted in the Council Chamber and available in the public copies of the Council packet. Citizens may address the Mayor and Council under "Comments from the Floor". Comments should be limited to three minutes. We ask your cooperation in order to provide for an organized meeting.

FY19 & FY20 Biennial Budget

MID-CYCLE BUDGET UPDATE

Finance Department
CITY OF LA VISTA | 8116 PARK VIEW BLVD

Introduction

This is the mid-point of the FY19 & FY20 Biennial Budget and FY19 – FY 23 Capital Improvement Program that were adopted by the City Council on September 4, 2018. The purpose of this update is to review and refine revenue and expenditure estimates and to ensure that any fiscal decisions made in the current year are reflected in the FY20 budget.

Adopted Budget FY19 & FY20

The FY19 & FY20 Biennial Budget includes total revenues of \$65.4 and \$42.4 million, respectively. Budgeted expenditures for all funds total \$60.6 and \$48.6 million. At mid-cycle, the FY19 year-end-estimate (YEE) for all funds projects revenue of \$31.6 million (Table 2), which is approximately \$34 million less than the budget. The primary reason for this variance relates to the timing of capital projects and delayed bond issuance.

Total expenditures and capital purchases for FY19 are anticipated to be \$41.3 million, \$19.3 million less than budgeted amount of \$60.6 million. This variance is also associated with the timing of capital projects. Because the adopted budget authority exceeds FY19 YEE expenditures, it is unnecessary to amend the FY19 budget.

Table 1

FY19 - FY20 Adopted Biennial Budget

Fund Name	FY19 Adopted Budget				FY20 Adopted Budget				
	Beginning Balance	Total Revenue	Total Expenses	Net Transfers	Ending Balance	Total Income	Total Expenses	Net Transfers	Ending Balance

Primary Revenue Sources

PROPERTY TAX

Accounting for approximately 30% of the total revenue budget, the property tax is the City's most stable funding source. Based on preliminary information from the Sarpy County Assessor's office, an FY20 budget amendment is recommended to reflect 8.16% growth, which will increase the City's assessed valuation from \$1.54 billion to \$1.67 billion. Because the State of Nebraska's biennial budget submission requirements restrict Year-2 assessed valuation growth projections, a budget amendment is necessary to reflect growth.

As a result of the valuation increase, the General Fund property tax receipts for FY20 are expected to increase by \$616,403, based on a levy of .49 cents/\$100 of assessed valuation. Property tax receipts in the Debt Service Fund are projected to increase by \$75,478, based on a .06 cent levy. The City's total tax levy will remain at .55 cents. **Note:** *The final assessed valuation from the Assessor's Office will be available on August 20, 2019 and may require adjustment.*

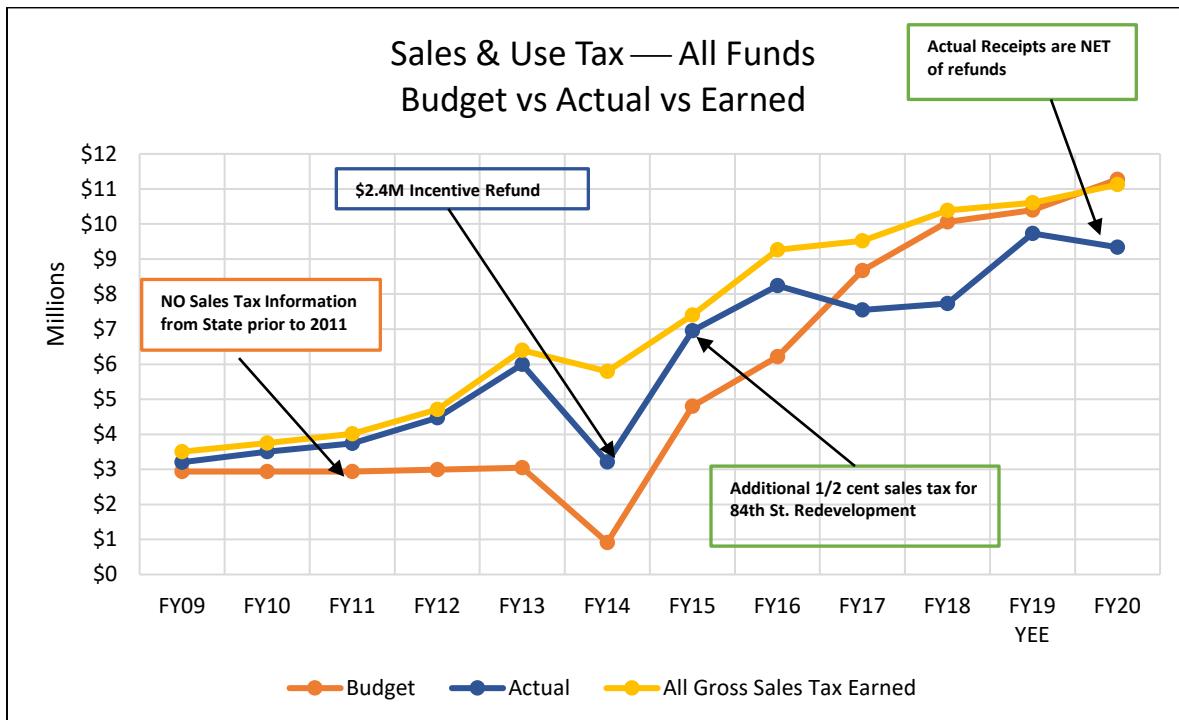

SALES & USE TAX

Sales and use tax receipts remain a significant source of the City's overall revenue stream, specifically in the General Fund (24%), Debt Service (58%) and Redevelopment (96%) funds. Budgeting and forecasting for sales and use tax revenue continues to be challenging due to the limited information available from Nebraska Department of Revenue.

Specific uncertainty exists related to the timing and size of future sales and use tax refunds, the remittance of sales tax by transient construction contractors and the overall ability of the Department of Revenue to collect from new businesses as they locate within our jurisdiction. Without the ability to fully audit our own sales and use tax receipts, forecasting will continue to be a challenge when planning our financial future.

To better understand the situation, the following chart has been prepared to show the Sales & Use Tax history as it pertains to Budgeted Amounts, Actual Receipts and Earned - but not necessarily received because of incentive or other refunds.

Chart 1

The notes on Chart 1 identify some of the highlights of the City's sales tax history over the past 10 years. Prior to 2014, the City's practice was to under-budget revenues substantially to correct for the significant uncertainty caused by incentive refunds. As shown above, staff has found success honing-in on the trend of gross receipts. However, as indicated in FY17, FY18 & FY19, incentives cause the actuals to behave erratically, often contrary to the trends that influence sales tax growth. A look at the budgeted or actual sales tax revenue numbers alone, does not reflect the true strength of the current revenue stream. Rather, it is necessary to focus on the gross sales tax earned. This is the amount that the City **"would"** receive if incentive refunds were not a factor. As you can see, the FY19 YEE is on target with the budget.

It takes a considerable effort to establish a sales tax revenue budget that accounts for growth and anticipates incentive refunds. As a result, we are recommending some adjustments based on the timing of new growth and anticipated refunds which would reduce the FY20 sales tax revenue budget by \$1.8 million. *(This includes \$1.5 million in incentive refunds, that will be replenished through incentive earmarks)*. Recent review of select sales and use tax information indicates continued retail strength.

INCENTIVE REFUNDS

Included with sales tax receipts are consumer use tax receipts. Through ongoing monitoring and analysis, a distinct correlation between consumer use tax receipts and incentive refunds has been identified. Prior history and comparisons with other Nebraska municipalities shows that La Vista's current average consumer use tax receipts should fall within a range of \$250,000 – 275,000 annually. Using this as a benchmark, Table 3 shows actual Consumer Use tax receipts, which if reduced by the benchmark, result in what could be considered "Potential Refunds". This is the amount that we earmark in the "sales tax incentive reserve", which is to be utilized to replenish the incentive revenue withheld by the State in subsequent months.

If compared, the cumulation of Potential Refunds and Actual Refunds are actually very close, which gives us some confidence that we have adequate funding earmarked to replace revenue lost when incentives are paid back by the State.

Table 3

Consumer Use Tax & Incentive Refunds												
Year	FY09	FY10	FY11	FY12	FY13	FY14	FY15	FY16	FY17	FY18	FY19 YEE	FY20 Prop
Consumer Use Tax Recvd	244,274	472,656	234,841	755,543	1,900,966	779,386	926,128	1,766,511	1,086,598	1,393,806	1,462,717	1,805,134
Less Non-Incentive Ctax	244,274	250,000	234,841	250,000	255,000	260,000	265,000	270,000	275,000	275,000	280,000	285,000
Equal Potential Refunds	-	222,656	0	505,543	1,645,966	519,386	661,128	1,496,511	811,598	1,118,806	1,182,717	1,520,134
Cumulative Potential Refunds		(222,656)	(222,656)	(728,199)	(2,374,165)	(2,893,551)	(3,554,679)	(5,051,190)	(5,862,789)	(6,981,595)	(8,164,312)	(9,684,446)
Incentive Refunds Notices		-	-	-	-	(2,426,693)	(99,060)	(730,856)	(1,657,221)	(2,064,859)	(406,958)	(1,166,835)
Cumulative Refunds Paid						(2,426,693)	(2,525,753)	(3,256,609)	(4,913,830)	(6,978,689)	(7,385,647)	(8,552,482)
Estimated Remaining Refunds		(222,656)	(222,656)	(728,199)	(2,374,165)	(466,858)	(1,028,926)	(1,794,582)	(948,959)	(2,906)	(778,665)	(1,131,964)

To date, we have received refund notification letters totaling \$406,958 for FY19 and are estimating additional refunds to bring the total to \$668,300. For FY20, notification letters received to date total \$ 1,166,835, with additional refunds anticipated, the total will reach \$1.5 million. To make up for the City's loss, funds from the sales tax reserve will be reallocated from the sales tax reserve to accurately reflect the sales and use taxes earned in each fund.

SEWER FEES

The recently approved Sewer Rate Study recommended a customer charge increase of 2% increase and flow charge increase of 6% over the next 5 years. The original budget had anticipated 10% increase Year over Year in anticipation of Omaha's 10% annual increase, which did not occur. The net change to the budget is a \$499,857 revenue decrease in the FY20 budget.

Expenditures

GENERAL FUND

Departments were asked to identify any significant changes to their FY20 budget. Following a thorough review of the requests, it was determined that change requests were minor and could be absorbed within the existing budget by reducing other expenditures. Therefore, there are no additional department expense requests in the General Fund.

OFF-STREET PARKING

Funding is allocated in the Off-Street Parking District Fund to cover the debt service and operations and maintenance costs associated with the City Parking Lot located in Southport West. In addition, construction of the City's first parking garage is currently underway and expected to be completed by the end of FY19. Additional funding is necessary to cover debt service and the associated operations and maintenance of this garage. The City recently solicited proposals for the operations and maintenance of Garage #1 and a contract draft is currently being prepared for Council consideration. The recommended budget contains the requisite funding for this.

CAPITAL IMPROVEMENT PROJECTS

The FY19 construction activity has been reviewed and carryover amounts have been identified (Table 4) that are expected to occur in FY20 have been included in the proposed budget amendment. The FY20 Projects (Table 5) has been updated to include 6 new projects totaling \$4.3 million. Notably, these include the 96th St Panel Overlay and 108th St Asphalt Overlay along with an adjusted construction schedule related to the Swimming Pool and 84th St Underpass. This is offset by \$5.6 million gained from delaying the construction of Parking Garage #2 until FY22.

Council Policy Decision

FOOD & BEVERAGE OCCUPATION TAX

As a dynamic, evolving community, La Vista faces challenges resulting from rapid residential, commercial and industrial growth over the last two decades and the associated demand for community resources, public infrastructure and additional staff. While purveyors of food and beverage are a vital component of the City's overall economy, the visitors they attract impact our bottom line and should be accounted for in projecting the revenue necessary to serve residents and visitors alike.

To ensure adequate, sustainable resources, staff is recommending the imposition of a food and beverage occupation tax of 1.50% to begin in FY20. A total collection of \$700,000 could be collected in each year going forward per the state statute limit on occupation taxes. This strategy is being recommended to shift some of the cost burdens to non-residents who utilize City services and infrastructure.

Appendix List

- A. Fund Summaries
- B. DRAFT — Food & Beverage Occupation Tax Information Sheet
- C. DRAFT — Food & Beverage Occupation Tax Ordinance
