**MAYOR AND CITY COUNCIL REPORT**  
**APRIL 7, 2020 AGENDA**

<b>Subject:</b>	<b>Type:</b>	<b>Submitted By:</b>
COMPUTER EQUIPMENT – MNJ TECHNOLOGIES	◆ RESOLUTION ORDINANCE RECEIVE/FILE	KEVIN POKORNY DIRECTOR OF ADMINISTRATIVE SERVICES

**SYNOPSIS**

A resolution has been prepared approving the following technology related purchases from MNJ Technologies

- Nine (9) IPad Pro 12.9" tablets (\$8,550) — Mayor & Council
- Eight (8) MS Surface Pro 12.3" tablets (\$7,736) — Staff
- Four (4) MS Surface Go 10" tablets at a cost of (\$2,032) — Staff

**FISCAL IMPACT**

The FY20 budget contains funding for the M&C iPad replacements and the balance will be funded through budget savings in other areas. The COVID-19 situation and resulting needs to work remotely have accelerated these acquisitions and as such, a funding reimbursement request will be made through FEMA.

**RECOMMENDATION**

Approval.

**BACKGROUND**

Apple no longer provides technical support for several of the iPads in the City's inventory, which includes those utilized by the Mayor & City Council and several that are utilized by leadership team members and support staff. In addition, some of the functions have become inoperable. The lack of support makes these devices more vulnerable to cyber-attack and thus, a security risk to our network. The IT Team researched potential replacement options, which included obtaining user feedback. The resulting recommendations were based on how the devices are used.

While it is anticipated that some planned purchases will be delayed until the impact of COVID-19 is better understood, it is this very issue that increases the need to move forward with the recommended purchases at this time. It is essential that City devices are cyber secure in order to provide video conferencing for public meetings and city business.

Subsequent to the President's March 13, 2020 Nationwide Emergency Declaration for Coronavirus Disease 2019 (COVID-19), the Federal Emergency Management Agency (FEMA) is addressing procurements made during periods of exigent or emergency circumstances in State, local governments. As such, the City will submit this

purchase and future purchases deemed necessary for the continuity of government operations and emergency operations for reimbursement.
