Director Stopak welcomed and introduced the newest Park & Recreation Board Member Brenda Mechels-Struby.

Stopak stated that the departments had begun working on the budget for the next 2 fiscal years.

Mechels-Struby asked if there were any changes coming up in the new budget. Stopak said the only significant change is the addition of a maintenance worker for the Recreation Department. Previously, that employee has been under the Public Works/Building & Grounds Department.

Updating the Board on the swimming pool project, Stopak said the discussion and presentation to the City Council will more than likely be on April 7th council meeting.

Chairperson Lodes asked what the reason for the delay was. Stopak said it was due to working on the design, etc.

Stopak also said they have had several interviews for the Senior Services Manager and have narrowed it down to 2-3 applicants. Hopefully, by the next meeting we will have hired for that position. Stopak said he was also in the process of hiring lifeguards for the pool.
