Reviewed March 2025

Eating and drinking within the public areas of the La Vista Public Library is allowed only in designated areas and under specified conditions:

- Commons Area
- Meeting and conference rooms
- Library programs and receptions
- Sealable containers of water are allowed throughout all public areas of the library except the library computer lab.

Examples: Acceptable water containers are those with screw top lids. Lids should be kept on bottles and containers except when drinking.

The consumption of alcoholic beverages is restricted on municipal property, as such, within all areas of the library in accordance with City Resolution No. 99-023.
