AUDIT SCOPE AND OBJECTIVES

We will audit the financial statements as identified in the summary of engagement terms, including the related notes to the financial statements, which collectively comprise the basic financial statements of the governmental entity. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the governmental entity's basic financial statements. Such information, although not a part of the basic financial statements, is

required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the governmental entity's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The RSI as identified in the summary of engagement terms is required by GAAP and will be subjected to certain limited procedures but will not be audited.

We may also be engaged to report on supplementary information other than RSI, including the schedule of expenditures of federal awards, that accompanies the governmental entity's financial statements. If we opine on the supplementary information, accompanying the financial statements as identified in the summary of engagement terms, we will subject the supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

If we do not provide an opinion or any assurance on the supplementary information other than RSI as identified in the summary of engagement terms, the other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements and our auditor's report will not provide an opinion or any assurance on that other information. We will read the other supplementary information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other supplementary information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with the financial reporting framework identified in the summary of engagement terms and report on the fairness of the supplementary information for which we opine on as identified in the summary of engagement terms when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- ◆ Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- ◆ Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS AND SINGLE AUDIT

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and Government Auditing Standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, Government Auditing Standards do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and Government Auditing Standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a single audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement.

We will identify significant risks of material misstatement as part of our audit planning. Audit planning and plan modifications continue throughout the course of the audit, as such, identified risks will include those identified and communicated to you previously, including during the prior year, modified for additional significant risks identified and prior risks no longer considered significant. These significant risks and modifications will be communicated to you throughout the audit process. A complete summary of significant risks identified will be included in our communications letter, required communications to those charged with governance.

Our audit of the financial statements does not relieve you of your responsibilities.

AUDIT PROCEDURES - INTERNAL CONTROL

We will obtain an understanding of the government and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, Government Auditing Standards, and the Uniform Guidance.

AUDIT PROCEDURES - COMPLIANCE

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the governmental entity's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of the governmental entity's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the governmental entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS AND SINGLE AUDIT

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with the financial reporting framework identified in the summary of engagement terms and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial

statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review during our fieldwork.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon or make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its

form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with the financial reporting framework identified in the summary of engagement terms. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with the financial reporting framework identified in the summary of engagement terms; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with the financial reporting framework identified in the summary of engagement terms; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this agreement. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

OTHER MANAGEMENT RESPONSIBILITIES

We understand that your employees will prepare all cash, accounts receivable, and other confirmations we request and will locate any documents selected by us for testing.

During the course of our engagement, we may accumulate records containing data which should be reflected in your books and records. You will determine that all such data will be so reflected. Accordingly, you understand that our firm does not accept responsibility for hosting client information; therefore, you have the sole responsibility for ensuring you retain and maintain in your possession all your financial and non-financial information, data and records.

Our role is strictly limited to the engagement described in this agreement and summary of engagement terms, and we offer no assurance as to the results or ultimate outcomes of this engagement or of any decisions that you may make based upon our communications with, or our reports to you. Your entity will be solely responsible for making all decisions concerning the contents

of our communications and reports, for the adoption of any plans and for implementing any plans you may develop, including any that we may discuss with you.

ALTERNATIVE PRACTICE STRUCTURE

Creative Planning, LLC and its affiliates (Creative Planning) and BerganKDV operate under an alternative practice structure in accordance with the AICPA Code of Professional Conduct and other applicable laws, regulations, and professional standards. BerganKDV provides audit and attest services and is closely aligned with Creative Planning that provides other professional (nonattest) services. Pursuant to a services agreement with Creative Planning, BerganKDV leases professional and administrative staff, both of which are employed by Creative Planning, to support BerganKDV's performance of audit and attest engagements. The professional and administrative staff leased under the services agreement will be under the direct control and supervision of BerganKDV, which is solely responsible for the professional performance of audit and attest engagements.

As identified in the summary of engagement terms, Creative Planning, which is not a licensed CPA firm, may provide permitted nonattest services, which are not covered under this agreement. BerganKDV, Creative Planning, and its affiliates will share confidential client information with each other to assist in the performance of those services. Your acceptance and signing of this agreement are also your consent for BerganKDV, Creative Planning, and its affiliates to share your information to provide you those services.

OTHER SERVICES

We will assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the governmental entity in conformity with the financial reporting framework identified in the summary of engagement terms and the Uniform Guidance based on information provided by you. These nonattest services do not constitute an audit under Government Auditing Standards and such services will not be conducted in accordance with Government Auditing Standards.

BerganKDV and/or Creative Planning may provide other nonattest services, as identified in the summary of engagement terms. These services may not be fully covered under this agreement and may be billed separately under other agreements with you.

You may request that BerganKDV and Creative Planning perform additional services not contemplated by this agreement. If this occurs, we will communicate with you regarding the scope of the additional services and the estimated fee. BerganKDV or Creative Planning also may issue a separate agreement covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this agreement.

We will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could potentially impair our independence.

INDEPENDENCE

Professional and certain regulatory standards require us to be independent in the performance of our services in both fact and appearance. As such, BerganKDV and Creative Planning will not perform any management functions, make any management decisions, or perform any services or activities, without the appropriate safeguards, that would impair our independence.

You agree to assume all management responsibilities for the nonattest services, as identified in the summary of engagement terms, financial statements, schedule of expenditures of federal awards, and related notes, and any other nonattest services provided by BerganKDV and Creative Planning. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have evaluated the adequacy of our services and have reviewed and approved the results of the services, the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonattest services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

To ensure our independence is not impaired under professional and regulatory standards, you agree to inform the engagement partner before entering into any substantive employment discussions with any BerganKDV and Creative Planning personnel.

REPORTING

We will issue written reports upon completion of our Single Audit. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The Government Auditing Standards report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of

expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the governmental entity; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The attest engagement partner, as identified in the summary of engagement terms, is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

FEES

Our fees for these services are detailed in the summary of engagement terms. The fee estimate is based on anticipated cooperation from your personnel, the assumption that all requested information will be provided timely and accurately, and we will not encounter any significant or unusual circumstances which will affect the scope of our engagement, including unforeseen changes in operations or disruptions in providing our services. If significant additional time is necessary, our fees will be adjusted accordingly. Additional time incurred for assistance with implementation of new accounting or other regulatory standards, significant audit adjustments, internal control deficiencies or compliance findings, inaccurate accounting records, significant events or transactions resulting in expanded scope of work, unanticipated significant audit risks, staff turnover, or instances of fraud will be billed separately and will be based in part upon the amount of time required at our standard billing rates, plus out-of-pocket expenses.

We commit staff and resources to your engagement at the time scheduled with you and your team. Failure to provide the required documentation and engagement support by the agreed upon due dates may result in an inconvenience fee of 25% of the base fee noted in the summary of engagement terms.

AUDIT DOCUMENTATION

The audit documentation for this engagement is the property of BerganKDV and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to oversight, regulatory, state agencies or their designees pursuant to authority given to them by law or regulation, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of BerganKDV personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the oversight, regulatory or state agencies. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

MANAGEMENT WRITTEN REPRESENTATIONS

During the course of our engagement, we will request information and explanations from management regarding the entity's operations, internal controls, future plans, specific transactions, and accounting systems and procedures. At the conclusion of our engagement, we will require, as a precondition to the issuance of our report, that management provide certain representations in a written representation letter. The procedures we will perform in our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the written and oral representations that we receive from management. Accordingly, false representations could cause us to expend unnecessary efforts or could cause a material error or a fraud to go undetected by our procedures. In view of the foregoing, you agree that we shall not be responsible for any misstatements in the entity's financial statements that we may fail to detect as a result of false or misleading representations that are made to us by management.

PEER REVIEW REPORT

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of contract. Our peer review report can be downloaded from our website at www.BerganKDV.com or will be provided in alternate formats upon request.

“**Party**” and “**Parties**” means either or both of the Service Provider and the Client.

“**Report**” means any physical or electronic document or output that Service Provider creates in providing the Services to Client, including but not limited to, reports, related work product, materials, presentations, and related communications (written or otherwise).

“**Representatives**” means a Party’s officers, directors, agents, advisors, employees and contractors.

“**Services**” means the work product and services to be provided by Service Provider pursuant to this Agreement and the Engagement Letter.

2. Services.

2.1. Services and Additional Services. The Services to be performed by Service Provider for Client are set forth in the Engagement Letter. If any time Client requests that Service Provider perform additional services outside the scope of the Services (“**Additional Services**”) and Service Provider agrees to perform the work but Service Provider and Client do not enter into a separate Engagement Letter setting forth the Additional Services, then Client agrees to pay Service

PROFESSIONAL SERVICES TERMS AND CONDITIONS

Provider additional fees based in part upon the amount of time required at our standard billing rates, plus out-of-pocket expenses, the Additional Services will be subject to the terms and conditions of this Professional Services Agreement, and all references to the term “Services” in this Professional Services Agreement shall be construed to mean the Services and the Additional Services. Service Provider, in its sole professional judgment, reserves the right to refuse to perform any Services or take any action that could be construed as assuming Client’s responsibilities as set forth herein.

2.2. Third-Party Software Providers. Client acknowledges and agrees that such Services may be performed by Service Provider, or any of its Affiliates, or Third-Party Software Providers. Client acknowledges and agrees that Service Provider may enter into contracts or licenses with such Third-Party Software Provider and Service Provider shall have the right to enter into, amend, terminate, or modify any such contract or license with any Third-Party Software Provider at any time in its sole discretion and without the consent of or notification to Client. If applicable to Client’s Services, Client may need to agree to Third-Party Software Providers’ terms and conditions or other contractual agreements in order to use Third-Party Software Providers’ services.

2.3. Quality Inputs. Notwithstanding anything herein to the contrary, Client agrees and acknowledges that the quality of the Services and any Reports is reliant on the accuracy, reliability, availability, and validity of the Client Materials provided by Client to Service Provider and Service Provider makes no representation or warranty with respect to issues with the Services that result from or are based on issues with accuracy, reliability, availability or validity of the Client Materials. Client hereby agrees that it will immediately notify Service Provider when it becomes aware of issues with the accuracy, reliability, availability, and validity of the Client Materials provided to Service Provider and Client assumes all risk, loss, and damages that arise therefrom, including, but not limited to any costs associated with redoing the Services and any Reports.

3. Payment for Services.

3.1. Service Fees and Payment Terms. Client agrees to pay the fees for the Services as set forth in the Engagement Letter and in these Professional Services Terms & Conditions. Any amounts owed by Client hereunder will be invoiced monthly and all payments shall be due within thirty (30) days of Client’s receipt of the applicable invoice, unless stated to the contrary in the Engagement Letter. Client may not offset, defer or deduct any invoiced amounts. If Client objects to any invoiced amount, Client must promptly notify Service Provider in writing (but in no event more than thirty (30) days of the invoice date) and provide a detailed summary of all objections. Client hereby waives any objections to any invoice if timely objections are not made. If Client objects to any invoice, Client shall promptly pay all undisputed amounts and work with Service Provider in good faith to attempt to resolve any disputes.

3.2. Prepayments. Service Provider shall have the right to require Client to prepay up to fifty percent (50%) of the anticipated fees for the Services prior to any Services being provided to Client. If Service Provider determines in its sole discretion that the total cost for providing the Services cannot be reasonably determined at the outset, then Service Provider shall have the right to require Client pay a prepayment to Service Provider in an amount reasonably determined by Service Provider prior to Service Provider providing the Services.

3.3. Interest on Past Due Amounts. If any invoice is not paid by its due date, Service Provider will charge Client and Client will pay an interest charge of one percent (1%) per month on the unpaid balance of such invoice. For any amounts that are disputed in good faith, Client may still be liable for the interest if such amounts are later found to be rightfully due and owing. Alternatively, for any disputed amounts that are made in good faith, Client can pay such amounts into a mutually agreeable interest-bearing escrow account, in which case Client will not be obligated to pay such interest provided it cooperates in good faith with Service Provider to promptly resolve the dispute.

3.4. Certain Remedies for Nonpayment. If an undisputed invoice is not paid when due, Client shall pay Service Provider a service charge accruing from the due date in the amount of one and half percent (1.5%) per month or the highest lawful rate, whichever is less, on the unpaid balance of such invoice. If Client fails to pay to Service Provider, within ten (10) days after Service Provider makes written demand for any past-due amount payable under the Agreement (including interest thereon), then, in addition to all other rights and remedies which Service Provider may have at law or in equity, Service Provider may seek collection from Client of unpaid amounts due and shall be entitled to all of its attorneys’ fees, costs of court and other costs of collection regardless if formal litigation is commenced. Service Provider is also entitled to accelerate and demand full payment of any future amounts due under the Engagement Letter. Service Provider may, in its sole discretion, decide to suspend Client’s access to the Services, including any Services provided by a Third-Party Software Provider, until all past due amounts are paid in full. Any withholding of Services or support due to a failure by Client to pay amounts due does not relieve Client from its contractual obligation to pay for the Services during the time the Services and/or support are withheld. If Client makes full payment and restores its account to good standing and the Agreement has not otherwise been terminated, then Service Provider may resume Services. Notwithstanding any term to the contrary herein, Client acknowledges and

PROFESSIONAL SERVICES TERMS AND CONDITIONS

agrees that Services Provider shall not be liable for any damages that Client incurs resulting from Service Provider's suspension of Services until all amounts due are paid in full to Service Provider.

3.5. Taxes. All of Service Provider's invoiced amounts are exclusive of any taxes. Client is responsible for and shall pay all sales, use, excise, personal property or other taxes, whether federal, state or local, however designated, levied or imposed on any Services or invoiced amounts. Income, franchise or similar taxes related to Service Provider's earnings or business entity are Service Provider's responsibility.

4. Term of Agreement.

4.1. Term and Termination. The term of this Agreement shall commence on the Effective Date of the Engagement Letter and shall continue until terminated as provided herein. This Agreement may be terminated pursuant to the following: (1) either Party may terminate the Agreement for convenience by giving the other Party ninety (90) days' prior written notice; or (2) either party may terminate this Agreement "for cause" if the other party is in breach of any material term of this Agreement and does not cure the breach within thirty (30) days after receipt of the written notice of the alleged breach. Should such termination occur while Client still has Services remaining on any applicable agreement, except in situations where Client has terminated this Agreement for cause, then all of those amounts due presently and during the remainder of the Services term shall be immediately due and payable upon the effective termination of this Agreement.

4.2. Enforceability Post-Termination; Survival. Upon the termination of this Agreement, Service Provider has no further responsibility to provide Services. Client's obligation to pay Service Provider shall survive termination until all amounts due and owing to Service Provider are fully paid and Client shall be obligated to pay Service Provider for any fees or expense on a proportional basis for Services performed up to and including the Effective Date. Any provisions of this Agreement that by their terms require performance or have application to events following termination shall survive and remain in full force and effect.

4.3. Procedures Upon Termination. Upon the end of the Term, Service Provider shall prepare final invoices for Services and provide them to Client, and Client shall pay the same pursuant to the invoice terms. Both parties shall return any and all Confidential Information, reports, materials, or other service-related items as required by this Agreement in a timely manner. Both Parties are not obligated to delete data that is solely on their backup systems, provided that should the backup system's data that includes Confidential Information be restored to the primary system where the data is more readily accessible, then the Parties will at that time have the obligation to delete the Confidential Information.

5. Confidentiality, Certain Restrictive Covenants, and Intellectual Property.

5.1. Confidentiality Obligations. The receiving Party shall maintain the confidentiality of the disclosing Party's Confidential Information and protect such Confidential Information with the same degree of care that it applies to the receiving Party's own similar Confidential Information, but in no event less than a reasonable degree of care, given the nature of the information disclosed. The disclosing Party's Confidential Information shall be used by the receiving Party solely for the purpose of rendering or obtaining Services (as applicable) pursuant to this Agreement and, except as permitted herein, shall not be disclosed to any third party without the prior consent of the disclosing Party. Notwithstanding the foregoing, Client acknowledges that Service Provider may share Client's Confidential Information with those of its Representatives, Affiliates and any Third-Party Software Providers that have a need to know in order to assist with the performance of the Services and who agree to maintain the Client's Confidential Information on the same or similar terms as set forth herein. Client acknowledges that it may be asked by certain Third-Party Software Providers to consent to the sharing of Client's Confidential Information in connection with the Services, and Client agrees to consent to such requests from Third-Party Software Providers. This Agreement shall be deemed Confidential Information.

5.2. Exceptions. The restrictions on Confidential Information in this Section 5 shall not apply to information: (1) generally available to the public through no act or omission of the receiving Party, its Representatives, or its Affiliates; (2) independently developed or acquired by the receiving Party without use or reference to the disclosing Party's Confidential Information; (3) approved for release in writing by the disclosing Party; (4) that is received without restriction from another person or organizations lawfully in possession of such information and entitled to provide such information to the receiving Party; or (5) information that was rightfully in the possession of the receiving Party on a non-confidential basis prior to its disclosure by the disclosing Party. Additionally, either Party may use or disclose the other Party's Confidential Information if required by any request or order of any applicable government or regulatory authority, or otherwise as required by applicable law. Before disclosing the disclosing Party's Confidential Information for such purpose, the receiving Party must provide prompt written notice to the disclosing Party of the circumstances requiring disclosure of such Confidential Information, and the Parties shall cooperate with each other, at the disclosing Party's expense, to obtain protection for the confidentiality thereof to the extent available, to contest

PROFESSIONAL SERVICES TERMS AND CONDITIONS

and avoid such disclosure, to obtain any other appropriate remedy, or to waive compliance with the provisions of this Agreement. In the event that such protective order or other remedy is not obtained, or that the disclosing Party waives compliance with the provisions of this Agreement, the receiving Party will furnish only that portion of Confidential Information which is legally required.

5.3. HIPAA. Notwithstanding anything herein to the contrary, to the extent the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") applies to Client, Client acknowledges and agrees that: (1) Client retains all responsibility for being compliant with the applicable provisions of HIPAA that may apply to the Client Materials provided by Client pursuant to the Services; and (2) Service Provider makes no representation or warranty herein regarding its compliance with any applicable HIPAA laws and regulations in connection with the Services.

6. Warranties.

6.1. Representations and Warranties. Each Party represents, warrants and covenants to the other that: (1) it has full right, power and authority to enter into and fully perform its obligations under this Agreement; (2) the execution, delivery and performance of this Agreement by that Party does not conflict with any other agreement to which it is a party or by which it is bound; and (3) it shall comply with all material laws, rules and regulations applicable to its activities in connection with this Agreement. Client further represents, warrants, and covenants that: (1) the Client Materials are original to Client or Client has obtained the necessary rights to provide the Client Materials to Service Provider and use the Client Materials in connection with the Services; and (2) the Client Materials as provided to Service Provider are accurate, reliability, availability, and valid for the performance of the Services.

6.2. Third-Party Software Provider Warranty Disclaimers. Notwithstanding anything herein to the contrary, Service Provider makes no warranties, express or implied, or guarantees regarding the Third-Party Software Providers services and in no event shall Service Provider be liable to Client for the failure of any Third-Party Software Provider to perform any part of the Services. In the event of an issue or failure in the Services that is performed by a Third-Party Software Provider: (1) the Parties will work together, each at their own cost and expense, to attempt to reach a reasonable solution for the Parties (to the extent one is available); and (2) if Client desires to pursue a claim against the Third-Party Software Provider in a court of law, provided that such claim has a reasonable possibility of success in the opinion of Service Provider but Service Provider does not desire to participate in such claim, then Client will be permitted to seek such a claim in a court of law at its own cost and expense, and to the extent possible, Service Provider will assign any rights it may have with respect to the Third-Party Software Provider related to the claim.

6.3. All Obligations Set Forth in This Agreement; Limitation. SERVICE PROVIDER SHALL NOT BE RESPONSIBLE FOR ANY DELAYS AND/OR SERVICE UNAVAILABILITY OF ANY KIND, REGARDLESS OF CAUSE, EXCEPT AS PROVIDED IN THIS AGREEMENT. CLIENT EXPRESSLY WAIVES ANY CLAIMS AGAINST SERVICE PROVIDER FOR LOSS, INJURY, OR DAMAGE OF ANY KIND, DIRECTLY OR INDIRECTLY, RESULTING FROM AVAILABILITY OF THE SERVICES, USE OF THE SERVICES OR FROM ANY LOSS OR CORRUPTION OF CLIENT MATERIALS SOFTWARE, OR HARDWARE, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT.

6.4. OTHER WARRANTY DISCLAIMERS. EXCEPT FOR THE EXPRESS WARRANTIES STATED IN THIS AGREEMENT, SERVICE PROVIDER DISCLAIMS ALL OTHER WARRANTIES ON THE SERVICES FURNISHED UNDER THIS AGREEMENT INCLUDING WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, COMPLETENESS, OR OF ANY RESULTS TO BE ACHIEVED. UNLESS NOTED EXPLICITLY OTHERWISE HEREIN, ALL SERVICES ARE PROVIDED AS-IS. NOTWITHSTANDING ANYTHING TO THE CONTRARY HERE, ANY SERVICES THAT ARE CONTINGENT ON OR PROVIDED BY A THIRD-PARTY SOFTWARE PROVIDER CARRY NO WARRANTY OF ANY KIND BY SERVICE PROVIDER. CLIENT AGREES TO LOOK EXCLUSIVELY TO SUCH THIRD-PARTY SOFTWARE PROVIDER FOR ANY AND ALL LIABILITY. THE EXPRESS WARRANTIES STATED IN THIS SECTION 6 ARE IN LIEU OF ALL OBLIGATIONS OR LIABILITIES ON THE PART OF SERVICE PROVIDER ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF SERVICE PROVIDER UNDER THIS AGREEMENT.

7. Limitation of Liability and Indemnification.

7.1. LIMITATION ON DAMAGES. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, CLIENT ACKNOWLEDGES AND AGREES THAT THE MAXIMUM AGGREGATE AMOUNT THAT CLIENT CAN COLLECT FROM SERVICE PROVIDER OR ITS AFFILIATES FOR ANY CLAIM RELATED TO THIS AGREEMENT OR THE SERVICES, WHETHER PURSUANT TO THIS AGREEMENT OR OTHERWISE UNDER THE LAW, SHALL BE LIMITED TO AN AMOUNT EQUAL TO THE AVERAGE MONTHLY AMOUNT ACTUALLY PAID FOR THE SPECIFIC SERVICE AT ISSUE BY CLIENT TO SERVICE PROVIDER UNDER THIS AGREEMENT OVER THE PAST TWELVE (12) MONTHS PRIOR TO WHEN THE CLAIM FIRST AROSE.

7.2. WAIVER OF CERTAIN DAMAGES. UNLESS SPECIFIED EXPLICITLY HEREIN, NEITHER PARTY SHALL BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS, LOSS OF USE OF DATA OR INTERRUPTION OF BUSINESS, WHETHER ARISING IN TORT, CONTRACT, OR INDEMNITY, EVEN IF SUCH PARTY HAS

PROFESSIONAL SERVICES TERMS AND CONDITIONS

BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; PROVIDED THAT NOTHING IN THIS PARAGRAPH IS ENTITLED TO LIMIT OR WAIVE THE AMOUNTS DUE FROM CLIENT TO SERVICE PROVIDER.

7.3. MUTUAL INDEMNIFICATION. Each Party (“**Indemnifying Party**”) will defend, indemnify, and hold harmless the other Party and its Affiliates, and any of their Representatives (“**Indemnified Party**”), from and against any and all losses, claims, actions, proceedings, and suits, and all related liabilities, damages, judgements, settlements, penalties, fines, costs or expenses (including reasonable attorneys’ fees and other actual litigation related expenses) (collectively “**Losses**”) incurred by the Indemnified Party, arising out of or relating to: (1) any breach or alleged breach of the Indemnifying Party’s representations and warranties; (2) any damage or loss caused by negligence, fraud, dishonesty, or willful misconduct by the Indemnifying Party or any of its Representatives; (3) unauthorized disclosure of confidential information by the Indemnifying Party; (4) claims against the indemnified party by a third party for infringement upon Intellectual Property Rights; and (5) any other violation of this Agreement by the Indemnifying Party. Notwithstanding anything to the contrary contained in this Agreement, in no event will the Indemnifying Party be liable for any amount attributable to the Indemnified Party’s gross negligence, willful misconduct, or breach of this Agreement.

8. Miscellaneous.

8.1. Non-solicitation of Employees. During the term of this Agreement and for a period of one (1) year after termination of this Agreement for any reason, Client shall not, directly or indirectly, hire, offer to hire, entice away, solicit, or in any other way persuade or attempt to persuade any Representative to discontinue their relationship with Service Provider. If Client violates this provision, Client shall pay Service Provider an amount equal to the Representatives total annualized compensation, including wages, bonuses and the cost of all benefits, if any, that Service Provider paid or was payable to the Representative during the one (1) year period prior to Client soliciting the Representative as well as the forecasted or actual total annualized compensation that Client will pay or did pay to Representative after the solicitation occurred.

8.2. Notification. All notices, requests, demands and other communications which are required or may be given under the Agreement will be in writing and will be deemed to have been duly given, or otherwise properly received: (1) when actually received if personally delivered; (2) when transmitted by confirmed facsimile, electronic or digital transmission method; (3) the day after it is sent, if sent for next day delivery to a domestic United States address by recognized overnight delivery service (e.g., Federal Express); and (4) upon receipt, if sent by certified or registered mail, return receipt requested. In each case, notice will be sent pursuant to the addresses and notice information for each Party set forth in the Engagement Letter, provided, however, that any Party may change such Party’s notice information by written notice to the other Party in the manner set forth above.

8.3. Force Majeure. Except for any payment obligations, which shall remain due and payable in accordance with the provisions of this Agreement, either Party shall be excused from delays in performing, or from its failure to perform, its obligations pursuant to this Agreement if such delays or failures result from a Force Majeure Event. In order to be excused from delay or failure to perform due to a Force Majeure Event, a Party must provide prompt written notice to the other Party reasonably identifying the Force Majeure Event and use commercially reasonable efforts to resume performance to the extent possible. If the period of non-performance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, either party may terminate this Agreement. Notwithstanding any term to the contrary herein this Agreement, Client’s sole and exclusive remedy for any such termination shall be a refund of the pro-rata portion of any pre-paid Service fees.

8.4. No Agency. Service Provider is acting solely as an independent contractor in rendering Services under this Agreement. In no way is Service Provider to be construed as the agent or acting as the agent of Client in any respect. Service Provider is neither the employer nor an employee of Client.

8.5. Assignment. This Agreement may not be assigned by either Party without the express written consent of the other Party, which shall not be unreasonably withheld, conditioned or delayed. Subject to the foregoing, any assignee under this Agreement shall be subject to all of the terms, conditions and provisions of this Agreement.

8.6. Waiver. No waiver or breach of any provision of this Agreement shall be effective unless made in writing nor shall such waiver or breach operate as, or be construed to be, a continuing waiver of such provision or breach.

8.7. Governing Law; Venue; Waiver of Jury Trial. This Agreement shall be governed by the laws of the State of Kansas, without regard to its conflict of law provisions. Subject to the alternative dispute resolution process described in section 8.8, any disputes between the Parties in connection with this Agreement shall be exclusively brought only in a court of competent jurisdiction located in either: (1) the county in which the Service Provider’s office sits that is providing the majority of the Services to the Client under this Agreement; or (2) if subsection (1) is inapplicable for any reason, then in Johnson County, in the State of Kansas. THE PARTIES EXPRESSLY AND IRREVOCABLY WAIVE TRIAL BY JURY IN THE EVENT OF ANY DISPUTE UNDER THIS AGREEMENT.

PROFESSIONAL SERVICES TERMS AND CONDITIONS

8.8. Alternative Dispute Resolution – Mediation & Arbitration. If a dispute arises from or relates to this Agreement or the breach thereof, and if the dispute cannot be settled through direct discussions, the Parties agree to first attempt to settle the dispute by mediation that will be administered by a neutral party, using mediation procedures, both of which have been agreed upon by both Parties before resorting to arbitration. Where mediation fails to produce a binding resolution between the Parties, any continued dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, shall be determined by individual final and binding arbitration in the proper location determined by section 8.7 of these Terms. Except as otherwise provided in this section or mutually agreed upon by the Parties, the arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. All aspects of the mediation and arbitration, including any final and binding award issued by the arbitrator, shall be strictly confidential. Judgment on the final and binding award issued by the arbitrator may be entered in a court described in section 8.7. This clause shall not preclude the Parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction.

8.9. Time Period for Claims. The Parties acknowledge that the nature of the Services makes it inherently difficult, with the passage of time, to present evidence in an arbitration that fully and fairly establishes the facts underlying any dispute that may arise between us. The Parties agree that notwithstanding any applicable statute of limitation that might otherwise apply to a claim or dispute between the Parties, including one arising out of this Agreement or the Services, any arbitration permitted under the Agreement (except related to the collection of sums due from Client) must be commenced within twelve (12) months after the date of delivery of any Report arising from the Services or if no Reports are delivered in connection with the Services, within twelve (12) months after the date of delivery of the Services. This twelve (12) month period applies and begins to run on the date of each report delivered by Service Provider, even if Service Provider continues to perform Services after such date, and even if neither Party has become aware of the existence of a claim or the basis for a possible claim. In the event a dispute within the last sixty (60) days of the twelve (12) month period, the period of limitation to commence a lawsuit shall be extended by up to sixty (60) days, to allow the Parties to conduct nonbinding mediation pursuant to Section 8.8.

8.10. Attorneys' Fees. The Party who substantially prevails in enforcing this Agreement shall be entitled to all of its reasonable attorneys' fees, expert witness fees, investigation costs, and court and appeal costs regardless of if a formal lawsuit is commenced. This provision shall remain in force for costs associated with section 8.8 unless the parties agree to allocate costs subject to a separate agreement.

8.11. Fees for Client Disputes with Third Parties. Except for disputes arising between the Parties, in the event Service Provider or any of its Affiliates are called as a witness or requested to provide any information (whether oral, written, or electronic) in any judicial, quasi-judicial, or administrative hearing, investigation, trial, appeal, or proceeding regarding information or communications that Client has provided to Service Provider, any documents and materials prepared by Service Provider in accordance with the terms of this Agreement, or any knowledge the Service Provider has related to Client, Client shall pay any and all expenses, including fees and costs for Service Provider's time, at Service Provider's rates then in effect, as well as any legal or other fees that Service Provider incurs as a result of such appearance or production of documents.

8.12. Subpoenas and Legal Proceedings. If Service Provider receives a subpoena related to Client, the Services Service Provider performed for Client, or if Service Provider otherwise must engage in any legal proceeding relating to Client or its acts or omissions, Client agrees to reimburse Service Provider for its costs associated with the same (including reasonable attorneys' fees), along with the value of the time its staff incurs in responding to the subpoena and participating in the legal proceeding calculated at the respective staff members' standard billable rate. Client shall pay all such amounts within ten (10) days of written demand.

8.13. Reproductions of Materials. Any publication or other reproduction of any Report prepared by Service Provider as part of the Services shall reference Service Provider's name and logo as original prepared and provided to Client. Client agrees to provide Service Provider with printers' proofs or master of such publication or reproduction of a Report for Service Provider's review and approval before it is printed and before it is distributed.

8.14. Electronic Signatures; Electronic Disclosures. The Parties agree that this Agreement and any other documents delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents shall have the same legal validity and enforceability as handwritten signatures to the fullest extent permitted by applicable law. Client hereby authorizes Service Provider and Third-Party Software Providers to deliver to Client electronically formatted data and information, including financial statements, drafts of financial statements, financially sensitive information, spreadsheets, trial balances, or other financial data from Service Providers files.

PROFESSIONAL SERVICES TERMS AND CONDITIONS

8.15. Counterparts. This Agreement may be executed and delivered by original signature, facsimile, or other image capturing technology, and in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

8.16. Entire Agreement. This Agreement constitutes the entire agreement between the Parties in relation to the Services provided hereunder and supersedes all prior written or oral communications and representations only with respect to the Services provided hereunder in this Agreement.

8.17. Severability. If any portion of this Agreement is held to be void, invalid, or otherwise unenforceable in whole or in part, for any reason whatsoever, such portion of this Agreement shall be amended to the minimum extent required to make the provision enforceable and the remaining portions of this Agreement shall remain in full force and effect.

8.18. Equitable Relief. Each Party acknowledges that its breach of Section 5 (**Confidentiality, Certain Restrictive Covenants, and Intellectual Property**) or Section 8.1 (**Non-solicitation of Employees**) will cause irreparable injury to the other Party for which monetary damages are not an adequate remedy. Accordingly, in addition to any other rights and remedies available to such Party, a Party shall be entitled to seek injunctive relief and other equitable remedies in the event of a breach of the terms of Section 5 or Section 8.1 by the other Party.
