SYNOPSIS

A resolution has been prepared authorizing the purchase of holiday decorations for Central Park from Brite Ideas Decorating, Omaha, NE, in an amount not to exceed \$42,000.

FISCAL IMPACT

Funds are available in the FY24 Budget.

RECOMMENDATION

Approval.

BACKGROUND

With the completion of The Link, the public plaza spaces, and the improvements that have, and will continue to be made in Central Park, additions to the existing holiday lighting in these areas is being proposed. Various items have been added to the area around Santa's Workshop each year and last season the Tree Lighting ceremony was moved to this location. With the addition of pedestrian lighting throughout the park (a project that has been approved and will be starting in the very near future) there is an opportunity to begin enhancing and adding to our holiday lighting.

An internal staff group has been working on this and is recommending that several items be purchased from Brite Ideas, a company in Omaha that we have worked with previously. We have selected some fiberglass pieces including a large piece that provides for a "selfie" station, as well as some simple décor for the new light poles as a starting point and a new tree for the interior of Santa's Workshop.

As Central Park continues to develop, we would anticipate adding items as funding is available to create a memorable holiday experience for residents and visitors alike.
