BACKGROUND

The current 800 MHz Sarpy County Communications system is over 15 years old and will no longer be supported by Motorola within the next four years. Consequently, any La Vista portable and mobile radios that do not conform to a P25 digital system will no longer be operational on a new digital system yet to be purchased by Sarpy County within the next four years. An assessment of all city-owned radios was conducted and necessary replacement radio purchases are to be spread out from 2012-2015.

Motorola 800 MHz radios are on a Western States Contracting Alliance (WSCA) contract and D & D Communications is a vendor for Motorola radios.
