

Memorandum

To: Planning Commission
From: Christopher Solberg, City Planner
Date: 11/15/2013
Re: Amendment to Subdivision Regulations

The City of La Vista Subdivision Regulations has undergone a complete re-write. Staff has made numerous amendments to clean up and clarify language, as well as to provide updates to the processes for subdivision approval. However, the amendments are not complete at this time.

RECOMMENDATION:

Staff recommends continuing Agenda Item 4C: Amendment to Subdivision Regulation.
