

# Memorandum

**To:** The Planning Commission

**From:** Chris Solberg, City Planner

**Date:** 2/12/2015

**Re:** Conditional Use Permit - 126th & West Giles Storage Facility

---

After the latest review of the revised application documents it was determined that the applicant's submission for a Conditional Use Permit and Replat requires additional changes and therefore its review by the Planning Commission should be put on hold.

**RECOMMENDATION:**

Staff recommends opening and continuing the public hearing until the March 19th Planning Commission meeting.
