

Memorandum

To: Planning Commission

From: Christopher Solberg, City Planner

Date: 5/14/2015

Re: Public Hearing regarding text amendments to Sections 2.02, 5.05, 5.10, and 5.11 in regards to Animal Specialty Services, Pet Shops, and Kennels

Attached to this memo are several revisions to the amendments which were heard by the Planning Commission at the public hearing on March 19, 2015. At that time the Commission recommended approval and the amendments were forwarded to the City Council.

At their public hearing on April 29, 2015, the City Council voted to make several other amendments, including:

- “Animal Specialty Services” should be changed from a Permitted Use to a Permitted **Conditional** Use within the C-1 and C-2 districts.
- “Pet Shops”, a use which has been listed as a Permitted Use, should also be changed to a Permitted **Conditional** Use within the C-1 and C-2 districts.

Because the amendment to the “Pet Shops” use proposed by the City Council had not been the subject of the public hearing by the Planning Commission, a new public hearing has been advertised for consideration of this change.

Staff has also revised the definition for “Animal Specialty Services” to include overnight boarding as part of this use. Along with this change, staff has reorganized the layout of the definitions section of the Zoning Ordinance into sections, separated by letters of the alphabet, to simplify future amendments to this section.

While preparing these amendments, staff noticed the intent statement of the C-1 District (subsection 5.10.01) is outdated and confusing. This statement has been rewritten to better reflect the purpose of the district.

As was the case in the previous amendments heard by the Planning Commission, staff is also recommending the removal of kennels as an allowed use in the TA Transitional Agriculture district.

STAFF RECOMMENDATION: Staff recommends approval.
