1 AND 6 YEAR STREET IMPROVEMENT PLAN	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE PUBLIC WORKS DIRECTOR

**SYNOPSIS**

A public hearing has been scheduled and a resolution prepared to approve the 1 and 6 Year Street Improvement Plan for highway, road and street improvements for the City.

**FISCAL IMPACT**

The 1 and 6 Year Plan establishes prioritization and cost estimates for street improvements. Annually, during budget preparation, the Council is asked to fund the priorities for that particular year. With the newly established Capital Improvement Program (CIP), staff has worked to have the 1 and 6 Year Street Improvement Plan mirror the CIP. As stated before; both of these plans are living documents that can and do change as unforeseen problems or opportunities arise.
