1 AND 6 YEAR STREET IMPROVEMENT PLAN	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE PUBLIC WORKS DIRECTOR

SYNOPSIS

A public hearing has been scheduled and a resolution prepared to approve the 1 and 6 Year Street Improvement Plan for highway, road and street improvements for the City of La Vista.

FISCAL IMPACT

The 1 and 6 Year Plan establishes prioritization and cost estimates for street improvements. Annually, during budget preparation, the Council is asked to fund the priorities for that particular year. Staff has worked to have the Capital Improvement Plan (CIP) mirror the 1 and 6 Year Street Improvement Plan. Both of these plans are living documents that can and do change as unforeseen problems or opportunities arise.
